TaVon Morrison pens a collection of biblical and practical inspirational notes to face life's challenges, temptations, disappointments and adjustments

MAITLAND, FL· Within the pages of TaVon Morrison's book, ***Just A Thought - Inspirational Notes to Challenge Your Thinking and Change Your Perspective***, (\$13.99, paperback, 9781498415224; \$22.99, hardcover, 9781498415231; \$6.99, e-book, 9781498415248) readers will enjoy a collection of the author's original quotes that offer wisdom, encouragement, and inspiration as they navigate through circumstances and challenges of life. The author believes that the simplicity of her book makes it profound. This unique collection of quotes was derived one thought at a time, over the course of 14 years. Laced with Biblical truth without being preachy, Morrison's book provides readers with a good word at the right time.

Although circumstances may not immediately change, a new perspective can make a world of difference, states the author. From my own personal experiences, meditation on scripture and time in prayer, I wrote these quotes which helped me, family, and friends. I hope that readers will benefit and be inspired as well. Ultimately, I hope readers will be drawn to the final authority in all matters: the Written Word (the Bible) and the Living Word (Jesus Christ).

TaVon Morrison has been casually writing for more than 20 years. She began to hone her craft in recent years and pursue publication, making her material available to an audience beyond family and friends. Her writings represent reflections on God, scripture, human experiences, and personal circumstances. An alumna of Loyola Marymount University with a degree in Psychology and Business Administration, TaVon lives in California and serves vocationally as a church administrator. In addition to writing, she has a passion for singing and cooking. Whether through a written note, musical note, or culinary note, her message is one of inspiration to the glory of God.
